Sir:

RESPONSE TO NOTICE TO FILE MISSING PARTS

This is in response to the recently received Notice of Missing Requirements dated 15 February 2006 and was recently discussed in a telephone conversation between Amber Mobley and Karen Williams of the USPTO on 27 February 2006. In the Notice we are advised that the Patent Office file is missing two inventors' signatures to the required Declaration. As was discussed with Ms. Williams, our records show that the required Declarations signed by all inventors (each being a separate page) had been submitted in July 2005 along with the rest of the required items. As was suggested by Ms. Williams, Applicant files herewith an Affidavit regarding the earlier submission of the signed Declarations in the above-identified patent application.

As can be seen from the enclosed Affidavit and its attachments, in connection with the entry of the above-identified Application into the national phase in the U.S. Receiving Office, Stephanie Potts sent the following listed documents to the U.S. Receiving Office on 19 July 2005 by depositing in Express Mail (package tracking number EV318534352US):

- PTO-1390 with Cover Sheet;
- Original signed Declaration(s) (total of 4 sheets); and
- return post card.

Each of the four inventors had signed a declaration as shown in the attached copies. It appears, however, that we never received the receipt confirmation postcard back from U.S. Receiving Office. Thus, from these facts, it appears that the package containing the PTO-1390, the Declarations and the postcard was received but that two of the Declarations and the postcard were subsequently misplaced.

It therefore appears that no requirements were missing in connection with the above application as submitted. Applicants therefore request that the enclosed copies of the missing Inventors' Declarations be used for further processing of this Application and that the \$130 Surcharge noted in the Notice be waived in this case. If the \$130 Surcharge is not waived at this time, it may be charged to our Deposit Account No. 04-1512 reserving the right to have it reimbursed at a later date. One copy of this sheet is enclosed.
